

NUNNCO

1815 KINGLET COURT
COSTA MESA, CA 92626

Dear Clients and Friends-

I am writing you to announce that after nearly 30 years of building room additions, I have decided to retire. I am looking forward to spending more time with my wife, my two daughters, their husbands and my grandson (with a second on the way), all of whom have moved to the inland empire. I have 1 final project ahead of me- a major remodel of the home we are buying, but then I hope to be putting my tools away for good (well maybe I'll do a little work for my kids!).

To help you in the future, I would like to give you information about the trades I have used successfully over the years to put together all of your projects.
